ENVIRONMENTAL COMPLIANCE

- Muse is formulated to comply with California Proposition 65 as well as the European Standard EN-71.

Good to Great: 15 New Colors

Introducing 15 new colors for the leading contract faux leather, for a well rounded palette of 49 colors.

The new colors include:

- Light Neutrals that lighten and brighten the palette.
- A revamped selection of Greens & Blues.
- New shades of Brown, representing the most current leather colors.
- An array of colors popular in the Healthcare market.

Good to Great: Improved Performance

- With an improved resin system and top-coat the abrasion resistance has been increased to exceed 500,000 double rubs (Wyzenbeek).
- Anti-Bacterial & Anti-Microbial protection, Stain Resistance with Resilience^{SR}, Outdoor-grade UV resistance, and a high level of Flame Retardance make Classic the choice when extreme performance is needed.
- Superior stain resistance with Resilience^{SR}.
- Bleach cleanable with a 1:10 dilution.
- UV and Mildew Resistance make Muse suitable for outdoor applications.
- Suitable for vertical applications including walls and headboards.
