-----------------------------	-----

What Makes Vitro Seating Products Different?

The majority of furniture Vitro provides is produced and manufactured here at our facility in St. Louis, Missouri. Our six story factory is constantly working to help your business thrive.

Information

General Information, Terms & Conditions

This price list is effective and supersedes all Vitro Seating Products previous price lists. Possession of this list does not constitute an offer to sell merchandise listed herein. All prices are subject to change without notice and are FOB St. Louis, Missouri factory.

Terms

All orders are subject to credit approval. Open account terms are net 30 days and a service charge of **1.5%** per month will be added to delinquent invoices. Buyer shall be liable for all collection costs, attorneys' fees and court costs. Visa, Mastercard, and American Express cards are accepted with a 3% processing fee.

Initial Orders

Initial orders require a **50% deposit** with the balance due before shipment. All new accounts should also forward a credit application, including bank references, and 5 trade references, with the purchase order. Vitro reserves the right to alter or cancel credit terms at its discretion, and request payment in advance.

Quotations

All written quotations received from Vitro are valid for a period not to exceed **30 days**, unless extended in writing from the factory. Quoted delivery dates are estimated and subject to change due to unanticipated volume or other events beyond the control of Vitro, such as delays in receipt of materials or parts, etc. Any prices or freight quotations received from Vitro must accompany, or be included on the purchase order.

Basic Ordering Information

To insure your order is correctly processed, please see order information page. Incorrect and incomplete orders produce production delays and can be very expensive. Again, please be very thorough and accurate.

Fax and Email Orders

Purchase orders must be submitted via FAX (**800.476.2258**) or email (**Order@vitroseating.com**), which is encouraged to improve lead time. However, it is extremely important to follow up with the original purchase order clearly marked "confirmation, do not duplicate," in the event transmission of the FAX or email was improper or not received.

Order Acknowledgments

All orders accepted by Vitro Seating Products will be acknowledged in writing to the buyer. **The buyer is responsible for checking this acknowledgment** to insure that all information is correct, with respect to quantity, pricing, finish, style, upholstery, shipping information, etc. **Unless Vitro is notified within 5 days of any discrepancy or error on our order acknowledgment, Vitro assumes no responsibility for manufacturing other than in accordance with the acknowledgment.** If our acknowledgment is not received within 1 week from the date of order, please advise Vitro immediately, as the order may have not been received.

Ordering Information

To insure that your order is correctly processed and scheduled, please be thorough and accurate by listing the following information:

Purchase Order Including:

1. Your company's name, address, telephone # and account #
2. Your company's contact name and extension #
3. The "SHIP TO" address and contact name
4. Specify truckline (*Or indicate Vitro to route*)
5. Specify "collect" or "third party" billing - Prepaid by Vitro

Chairs:

1. Model #
2. Upholstery **(Grade, manufacturer, pattern & color)*
3. Frame finish (*Note: all finishes are not available on all items*)
4. Quantity - priced accordingly
5. Non - standard details should be described appropriately

**Should you choose upholstery other than those illustrated on our upholstery card, a factory quote is required prior to your order. Should you desire to supply us with COM (Customer's Own Material), it should be sent to us according to instructions supplied on the following page. Please provide us with the name of the manufacturer, their pattern # and color # - if they are not a common manufacturer, please give us their address and telephone number.*

Stools:

1. Model #
2. Seat Ht. (*Some models not available in hts. other than 30"*)
3. Upholstery **(Grade, manufacturer, pattern & color)*
4. Frame finish (*Note: all finishes are not available on all items*)
5. Quantity - priced accordingly
6. Floor attachment where applicable
7. Non - standard details should be described appropriately

**Should you choose upholstery other than those illustrated on our upholstery card, a factory quote is required prior to your order. Should you desire to supply us with COM (Customer's Own Material), it should be sent to us according to instructions supplied on the following page. Please provide us with the name of the manufacturer, their pattern # and color # - if they are not a common manufacturer, please give us their address and telephone number.*

Table Tops:

1. Model #
2. Top size
3. Laminate selection - MFG, Number, Color, and Name
4. Edge color and style
5. Quantity - priced accordingly
6. Other details - such as radius corners, diagonal cuts, wood finish, etc.

Table Bases:

1. Model # (*Includes series and size*)
2. Finish (*Painted or plated*)
3. Quantity - priced accordingly
4. Other details - such as self - leveling glides, bar height, etc.

Booth Seating:

1. Model name and model #
2. Upholstery description - illustrate if detailed (*MFG, Pattern, Name, Color #*)
3. Quantity of each style (*Single, double, etc*)
4. Height and length (*36" ht - 44" length is generally standard*)
5. Other details such as laminate or wood trim (*See below*)

It is extremely important to provide as much detailed information as possible when ordering booths. It is helpful, and often necessary, to provide us (Even prior to your order for quotation) with a ¼" scale layout of the restaurant, along with field dimensions for wallbenches and circles. In addition, should the booth appearance be detailed, you should supply us with an illustration explaining those details.

COM Procedures (Customer's Own Material):

1. All orders must have a 6" X 6" sample of COM submitted
2. COM priced grade 1
3. Material that is directional or striped, must specify the details concerning how it is to be applied, etc - you should increase the yardage requirements by 20% for best matching and repeat, or for a more accurate estimation of yardage, submit a sizeable sample to our factory for quotation, add 15% to the grade 1 price of the product for items upholstered with COM that require directional attention and/or difficulty in application (*Perhaps due to non - stretch or railroading, etc.*)
4. If material is or can be reversible, be certain to mark the proper side.
5. Supply your shipper of the COM with the following tag to be attached to the outside of the package containing your COM.

COM (Customer's Own Material) Note

All COM pricing is grade 1 and it is based on 54" wide plain, solid color vinyl or textile and should be clearly identified on package exterior. Repeats, grain directions, and patterned material require grade increase. Details such as direction, pattern repeat, and large swatches must be submitted to the factory to determine pricing.

COM TAG

Yardage Shipped: _____

Pattern ID: _____

Color ID: _____

Customer Name: _____

Customer PO#: _____

Please photocopy this tag to accompany your COM

Vitro reserves the right to refuse any COM and accepts no responsibility for the warranty or tailoring quality of COM

Order Changes & Cancellations

Due to the custom nature of our products, Vitro must specify purchase materials and individually assemble to meet the unique and demanding specifications designated in each purchase order. Therefore, once Vitro accepts and acknowledges an order, it is fully binding and is not subject to cancellation or change by the buyer.

This does not mean that it is never possible to cancel or change an order, however, the request must be in writing, approved and acknowledged by the factory and may require charges for labor, materials, and/or other expenses we have incurred. Order will in some cases require updated ship date.

Previous Order Matching

If your order is to match a previous order, it must be clearly stated on your order, with reference made to our original invoice or acknowledgment number and date. **If available, please supply a copy of the original invoice.** Vitro is not responsible to supply materials such as laminate, vinyl, fabrics or other items that may be discontinued.

Finishes (*Fabrics, vinyl, stains, and paints*) may change over a period of time and it is recommended that the buyer submit a sample from the original order when possible to assure the best possible match. When a special wood finish is requested, Vitro will attempt to match as closely as possible, but cannot assume responsibility for variations resulting from application of color finishes on various woods. Vitro in some instances may request the buyer return a signed approval prior to production.

Discontinued Styles

Often a number of styles from previous price lists or catalogs are discontinued or retired from the line and no longer listed in the catalog or price list. **This does not always mean that these items are no longer available**, but may have been discontinued and replaced with a similar item or may still be available upon request. Please feel free to call our customer service department for information on these particular items.

Shipping

All prices in this price list are FOB Factory St. Louis, Missouri 63102.

Buyers should advise preferred shipping and routing with each order. If no carrier is requested by name, or if named carrier does not serve our factory or consignee location, Vitro will ship by the method deemed most practical, but will not be responsible for any differences in freight charges.

All ship dates quoted are approximate. Any orders shipped later than the factory scheduled ship date are free from any penalties imposed by the buyers.

From the time carrier signs for shipment, Vitro no longer has title to the merchandise, and carrier becomes the agent of the consignee. Disposition of shipments refused by consignee is the responsibility of the consignee and or buyer.

Any additional shipping charges incurred by Vitro for matters such as C.O.D. fees, inside delivery, etc., will be billed to the buyer.

Where the shipment of two or more orders is to be consolidated, this information must be stated on at least one order. Generally, shipment of the earlier order will be delayed until the second or last order is ready to be shipped.

Shortages or Damage Claims

Vitro is not responsible for loss or damages incurred in transit. Before accepting the merchandise from the carrier, the consignee should inspect and note any loss or damage on the delivery receipt. If there is loss or damage, a claim should be made immediately with the carrier. If damage or loss is discovered after delivery, the carrier should be notified immediately for an inspection of concealed damage as well as for instructions in filing a freight claim. Original packing materials should be saved for inspection if claim is to be filed. Concealed damage claims must be filed with carrier within 10 days of receipt of goods. (Freight company deserves the right to refuse responsibility.)

Shortages other than loss in transit, or any variance in the specifications of the order must be reported to Vitro within 10 days of receipt of goods. Failure to make such claim shall constitute acceptance of the merchandise and a waiver of any defects, errors or shortages.

Vitro's liability shall be limited to the selling price of any defective goods, and shall at no time include profits or loss of profits. All replacement orders for freight - damaged merchandise must be accompanied by a completed and signed copy of the carrier's inspection report.

Returns

No returned merchandise will be accepted by Vitro for exchange, credit or repair unless prior written consent is given by the factory. Unauthorized returns will be refused and returned to the consignee freight collect.

Where returns are authorized, Vitro will issue a Return Authorization Form with shipping instructions which must be used with such returns indicating any restocking and/or freight charges that will be billed to the buyer.

Restocking charges will range from 25% of the original purchase price.

Storage

If buyer is unable or unwilling to accept delivery when the order is ready, Vitro will invoice the buyer for all handling, transfer and storage costs incurred from the scheduled ship date until the actual shipping date.

Under normal circumstances, if buyer advises at time of placing order that shipment should be made after a specified date, Vitro will try to accomplish such requests. However, if no specific date was requested, and when the order is ready for shipment, buyer is unable or unwilling to accept delivery, Vitro will invoice the buyer for all handling, transfer and storage costs incurred from the scheduled date until actual shipping date. Where buyer requests that Vitro production be halted on an order for a period of time, and materials cannot be diverted to fill other orders, Vitro will determine the storage requirements for such “in process” materials and charge buyer accordingly .

Product Specifications

Frequently, new production techniques and materials are implemented in order to improve quality, durability or efficiency. Vitro reserves the right to incorporate new materials or make minor modifications in design, construction, wood finishing, upholstery, or in the dimensions of its product line, without prior notice. The uniqueness in the manufacture of certain items may cause slight variations in the dimensions, weights or other specifications found in this price list.

Flame Retardancy

Municipal requirements regarding flame retardant for use in various types of facilities are constantly changing. As part of our customized service, Vitro offers a wide variety of upholstery and barrier cloths to meet unique flame retardant specifications.

If buyer must satisfy a particular code, e.g., State of Calif. Technical Bulletin 117 - E, or Boston Fire Dept. Code (*BFD 9-1*), this must be clearly indicated on the purchase order.

Vitro will advise buyer of special pricing for this service, but Vitro is not liable for noncompliance with local code requirements if the buyer fails to advise Vitro of these requirements at the time of purchase.

***Note**, most flame retardant treatments are salt solutions. Cleaning flame retardant upholstery therefore with water or water - based foams will result in salt ringing. Solvent - based fabric cleaners or dry cleaning are alternate methods of cleaning. However, buyer is cautioned to test proposed cleaning procedures on a small portion of fabric before proceeding with cleaning of the entire installation.*

Limited Warranty & Lifetime Warranty

All products manufactured by Vitro Seating Products are guaranteed against failure from defective workmanship to the original purchaser, when installed and utilized for their intended purpose. A structural frame warranty applies to weld failures and leg bending. The **structural frame warranties** are as follows:

Innovations (Lifetime)	Faculty (Lifetime)	265 (2 years)	Wood Chairs (1 year)
Legends (Lifetime)	Parlor (Lifetime)	300 (Lifetime)	Booths (3 years)
Spectrum (Lifetime)	Classic (Lifetime)	400 (Lifetime)	Solid Wood Tables (1 years)
Omni (Lifetime)	215 (2 years)	500 (Lifetime)	Tables (2 years)
Oxford (Lifetime)	250 (Lifetime)	1500/1700/1800 (Lifetime)	Bases (2 years)
Stacker (Lifetime)	264 (Lifetime)	Cafe (Varies)	Outdoor (1 year)

Structural Frame Warranty

Does not apply to any product that has been altered, or subjected to misuse, negligence or accident. Under this warranty, any product proven to be defective shall be repaired or replaced at our option, free of charge, provided it is returned prepaid as directed. In no case shall liability under this warranty exceed the original purchase price of the defective merchandise. We reserve the right to inspect the defective item at our premises, by our factory personnel, to establish the cause of the alleged product failure.

This warranty shall not apply to any product which has been repaired or altered by anyone other than Vitro personnel in any way as to affect, in our judgment, its stability and durability, nor which has been subjected to misuse, negligence, abuse or accident.

Vitro's product line is for indoor use only (**Excluding outdoor furniture**), and therefore any damage caused by exposure to the elements, such as salt - air or ultra violet rays, is not covered by this warranty. Even where Vitro was apprised of the final destination of an order, it is not liable under this warranty if the merchandise ordered was exposed to the elements. This warranty shall not apply to Vitro merchandise which was exposed to harsh or acidic cleaning agents or abrasives.

Vitro reserves the right to make changes at any time, without notice, in materials, dimensions, specifications, equipment, colors, design or prices. Vitro also reserves the right to make such changes at any time without any obligation to make comparable revisions and/or modifications on products manufactured at a previous time.

The cost of field repairs performed by non - Vitro personnel will not be reimbursed unless expressly authorized in writing by Vitro prior to the repair.

Vitro Seating Products does exclude upholstery from this warranty, whether the material is provided by Vitro or as COM (*Customers Own Material*). However, warranties are often provided by the upholstery mill. All upholstery and laminates are subject to warranty offered by the respective manufacturer.

Maintenance

To ensure durability and longevity of Vitro's product line and customer satisfaction, periodic inspection and maintenance is necessary. Buyers should therefore advise their clients to inspect merchandise at regular intervals — particularly the joints, welds, swivels and other points of stress as well as missing glides, screws or bolts, and to clean and tighten screws and bolts, and grease parts where necessary. If repair parts are

needed, use only Vitro replacement parts and attachment methods. If an item shows any sign of structural fatigue, it should be taken out of service immediately. If covered by warranty, Vitro should be notified immediately. Any continued use of the product is at buyer's risk and Vitro's warranty will no longer be valid.

Freight quotes are valid for 30 days.

Please Note:

If the back is vinyl, nailheads must be used. If the back is fabric, nailheads are optional. Brass, Chrome, or Black Finish footrest are no-charge but must be specified.

"Rule Of Thumb"

Chair & Table Space Requirements

- 14 sq. ft. per person for spacious dining — allows for table, chair and aisle.

- 12 sq. ft. per person for cafeteria or restaurant.

- 10 sq. ft. per person for banquet, institutional or close seating.

- Allow 18" for person seated from edge of table to back of chair.

- Diagonal seating saves floor space — Deuce tables and wall spacing saves the most space.

- Allow 42" between squared tables for chairs back to back leaves 6" to push out.

- Allow 60" between squared tables for chairs back to back leaves 26" service aisle.

- Allow 24" between corners of diagonal tables for customer access - no aisle.

- Allow 30" between corners of diagonal tables for customer access - narrow aisle.

**Note: Where space is limited, booths require only 8 sq. ft. per person including aisle allowance.*

Booth Seating

Typical Counter Stool Position

TYPICAL COUNTER PLAN

TYPICAL 30" COUNTER SECTION

★ - 12" Dimension should be held to maintain correct spatial relationships

TYPICAL 42" COUNTER SECTION

★ - 12" Dimension should be held to maintain correct spatial relationships

"Rule Of Thumb"

Chair & Table Space Requirements

- 14 sq. ft. per person for spacious dining — allows for table, chair and aisle.
- 12 sq. ft. per person for cafeteria or restaurant.
- 10 sq. ft. per person for banquet, institutional or close seating.
- Allow 18" for person seated from edge of table to back of chair.
- Diagonal seating saves floor space — Deuce tables and wall spacing saves the most space.
- Allow 42" between squared tables for chairs back to back leaves 6" to push out.
- Allow 60" between squared tables for chairs back to back leaves 26" service aisle.

- Allow 24" between corners of diagonal tables for customer access - no aisle.
- Allow 30" between corners of diagonal tables for customer access - narrow aisle.

**Note: Where space is limited, booths require only 8 sq. ft. per person including aisle allowance.*

Modular Seating Plan

* Not Shown To Scale

Note:

It is the responsibility of the owner or contractor to verify all building code requirements for total occupancy, Exiting and accessibility, Federal, State, City, and Municipal.

Note:

It is the owner's responsibility to verify all dimensions prior to order and fabrication.

BOOTHS

Call Factory for Custom Sizes & Shapes

Single Booth

Seats 2 people side by side, generally 24" deep x 44" long. 48" length is also popular.

Double Booth

Seats 4 people (2 people side by side, as well as back to back), generally 45" deep x 44" long. 48" length is also popular.

Wallbench

Constructed in virtually any length with sections normally restricted to 8ft. Attention should be given to location of the seams for aesthetic reasons, as well as comfort to the user.

1/2 Circle Booth

Generally constructed in (2) 1/4 circle pieces with standard dimensions of 44" x 84" x 44". The outside back is always unfinished unless otherwise specified for aesthetic reasons, such as exposure due to windows, or perhaps no walls to cover the back.

3/4 Circle Booth

Generally constructed in (3) 1/4 circle pieces with standard dimensions of 44" x 84" x 84" x 44". Again, the outside back remains unfinished unless otherwise specified.

Table Bases

Vitro carries a wide variety of table bases. The “H” series base and 884/885 legs are a perfect choice for the classic retro look. “A” “B” “C” “D” series bases represent round tubular, flat, rectangular, and steel designs. Painted textured black finish is standard for “A”, “B”, and “D”. Bases come in all paint colors. Upcharge for premium paints is 14.37 and powder chrome finish is 28.71.

"A" Series Base

"A" series base represents a 2" round tubular design. Painted textured black finish is standard. Must specify other colors. Chrome is optional.

*Add 18.08 for chrome column (30"H), Add 27.14 for chrome column (42"H)

*Add 32.50 for 42" high

*Add 22.97 for wheelchair height

Flip - Top Table

Not Sold Separately

The Flip - Top Booth & Table Attachment System was invented for 2 purposes, cleanliness and an economical way to suspend a table top without the expense of special construction required within the walls of the restaurant. Standard finish is satin black powder coat

Model FT - 44:

accommodates 44", as well as 48"L booths

528.15

Any qty. Maximum Table Width: 30"

Model FT - 60:

accommodates booths up to 60"L

581.72

Any qty. Maximum Table Width: 30"

Model FT - 30:

accommodates both 24" & 30"L deuce booths. This model offers the cantilever effect only, but does not flip up.

489.92

Any qty. Maximum Table Width: 30"

Special Note: When ordering this product, please specify the booths and table tops that are to accompany this purchase. Also, please be aware that the table tops will not be pre - drilled, in order for you or your customer to adjust the distance the top will be from the wall. We recommend the top to be approximately ¼" from the wall.

The Flip - Top and booth must be ordered together.

“F” Series Cantilever

The “F” series cantilever style base utilizes 2" square heavy wall 14 gauge construction with angle support. Black painted finish.

	1 - 4	5 - 30	31+

"Rule Of Thumb"

Chair & Table Space Requirements

- 14 sq. ft. per person for spacious dining — allows for table, chair and aisle.
- 12 sq. ft. per person for cafeteria or restaurant.
- 10 sq. ft. per person for banquet, institutional or close seating.
- Allow 18" for person seated from edge of table to back of chair.
- Diagonal seating saves floor space — Deuce tables and wall spacing saves the most space.
- Allow 42" between squared tables for chairs back to back leaves 6" to push out.
- Allow 60" between squared tables for chairs back to back leaves 26" service aisle.
- Allow 24" between corners of diagonal tables for customer access - no aisle.
- Allow 30" between corners of diagonal tables for customer access - narrow aisle.

**Note: Where space is limited, booths require only 8 sq. ft. per person including aisle allowance.*

	B - 22 x 30 Chrome Column	15 each	1	224.77

* Stocking Program Items cannot be combined with standard production orders.

SEATING GUIDELINES

General guides for space planning and determining furniture needs

Space Planning:

In preliminary space planning, the “Rule of Thumb” for determining the area requirements for a restaurant is: Dining Room: 60% of total area. Kitchen, Cooking, Storage, Preparation, etc.: 40% of total area.

When originating space requirements, anticipate that Banquet seating may use as little as 10 square feet per person. A good average for restaurants or coffee shops with general menus is about 12 square feet per person. This will provide for traffic aisles, wait stations, etc.

Example: A 200 seat restaurant will require 2,400 square feet of dining area. Since this would be 60% of the total area, the total area would be 4000 square feet.

When the area available has already been established (i.e. an existing building being remodeled as a restaurant), the “Rule of Thumb” is used as follows.

Example: A space of 2800 square feet is available. 60% Dining Area: 1680 square feet (140 seats); 40% Kitchen Area: 1120 square feet. Details will be determined after

floor plans are prepared and owner’s ideas are considered and incorporated into the plans. Suggested square feet per person for different restaurant types:

- Commercial Cafe: 16 - 18 square feet
- Industrial Cafe: 12 - 15 square feet
- Counter Service: 18 -20 square feet
- Table Service (minimum): 11 - 14 square feet
- Table Service, Hotel/Club: 15 - 18 square feet
- Banquet (minimum): 10 -11 square feet

The traffic path between occupied chairs would be at least 18 inches wide. Leave 4 - 5 feet between tables (This figure includes chair space). To determine area for wait stations: 1 small station (6 - 10 square feet) per 20 diners. 1 large central station (25 - 40 square feet) per 60 diners. In determining the length for a bar, allow 1’8” - 1’10” per person (standup) or 2’ per bar stool.

Furniture Guidelines:

- Table Height: 29" - 30" Bar Height: 42" - 45"
- Seat Height: 17" - 18" Bar Stool Height: 28" - 30"

Bar Dimensions

- A. Outer bar edge to wall.....76"- 84"
- B. Outer bar edge back wall.....82"- 104"
